Fundraising is a win/win for everyone. Be sure to share with your co-workers, family, and friends. CVRR will receive a portion of each sale. To save on costs and to provide more funds to CVRR, we will place orders once a month for delivery to a central location. Delivery is estimated to be 2 weeks after order finalization. CVRR will work with you to set up a meeting time and location for you to pick up your order. There are choices of both pre-made and handmade items. All of the items are sustainably sourced and free of animal testing.
